

Press Release _ Assistance for Insulin Emergency for Children in Lockdown

WBCPCR has decided to extend its support in providing lifesaving insulin to the children suffering from Type 1 Diabetes at their doorstep during this lockdown in collaboration with Diabetes Awareness and You (DAY).

WBCPCR has joined hands with DAY in their project of supplying lifesaving insulin & other necessary materials to the Type 1 Diabetic children from the economically and socially disadvantaged sections of society in West Bengal. They have primarily started working in four districts - Kolkata, North & South 24 Paraganas and Howrah.
